

**Subject: Perfect Match Stain Pen**

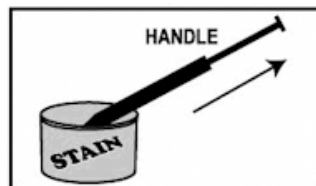

Use your own stain to achieve a perfect match!  
Touch up custom stained cabinetry, molding,  
floors or any stainable wood product.

**(1)**

REMOVE cap and felt tip

**(2)**

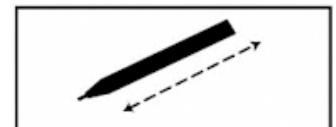

Place end of marker in stain. Pull handle until fully extended to fill with stain.

**(3)**

UNSCREW handle in a counter-clockwise motion, discard handle, insert felt tip into opposite end.

**(4)**

SHAKE marker to agitate stain.  
Depress tip gently on to scrap of wood or paper until stain begins to flow.

Perfect Match Stain Marker is all you need for touch up. Just add your own water, oil or lacquer based stain and follow the instructions for a perfect match! Use to touch up scratches, nicks, nail holes and imperfections on your wood. Perfect for cabinet installers and finishers. Give to your customers for future touch up when the job is completed. Holds up to 7.5ml, 1/4 fl oz.
